

Ammu Nair

nairammu46@gmail.com | [nairammu.github.io](https://github.com/nairammu)

A rising sophomore at the Georgia Institute of Technology, dedicated to pursuing a degree in Computational Media with a concentration in Artificial Intelligence: Interaction-design. Focused, creative, and passionate. Proficient in Python and Salesforce Apex, and seeking internship opportunities to utilize and further develop my computational skills.

EXPERIENCE

July 2022 - May 2025

Classic City Computing - Tech Intern

- **Salesforce (Apex):** Customized Salesforce features and helped manage data workflows to support daily business operations.
- **IT Support:** Set up workstations, upgraded computer hardware, and securely disposed of retired equipment and data.

May 2023 - August 2023

Oconee County Schools Technology Department - Tech Intern

- **System Deployment & Asset Management:** Imaged, configured, and set up workstations at multiple locations.
- **Technical Maintenance:** Assisted with hardware maintenance and resolved technical issues as they came up.

EDUCATION

August 2026 - Anticipated May 2029

Georgia Institute of Technology, Atlanta, GA

Bachelor of Science in Computational Media

- Concentration in Artificial Intelligence: Interaction Design

GPA: In progress

August 2025 - May 2026

Georgia State University, Atlanta, GA

GPA: 4.02

Related courses include: Calculus of One Variable I and II, Intro to Principles of Computer Science I

Graduated May 2025

North Oconee High School, Bogart, GA

GPA: 93.3

Related courses include: Introduction to Business, Financial Literacy, Banking and Investment, AP Computer Science Principles, AP Computer Science A

SKILLS

- Versed in Microsoft Word, PowerPoint, Excel, and Office 365
